

# e-Governance Project Phase(2)

## SIGeGOV Website

*Jaspreet Singh 201202078*  
*Akash Agrawall 201202078*  
*Gaurav Parida 201202037*  
*Ashish Kumar 201202100*  
*Gaurav Mohanty 201205090*  
*Ayush Khandelwal 201202069*

# Objective of the Project

- Revamp the SIGeGov website
- Things to keep in mind
  - Responsive
  - Accessible
  - Multi-lingual user base
  - Search should be inside the PDF's also

# Features Implemented

## Existing features in SIGeGov

- search the publications metadata
- create event by admin
- view list of authorized users
- view list of upcoming events

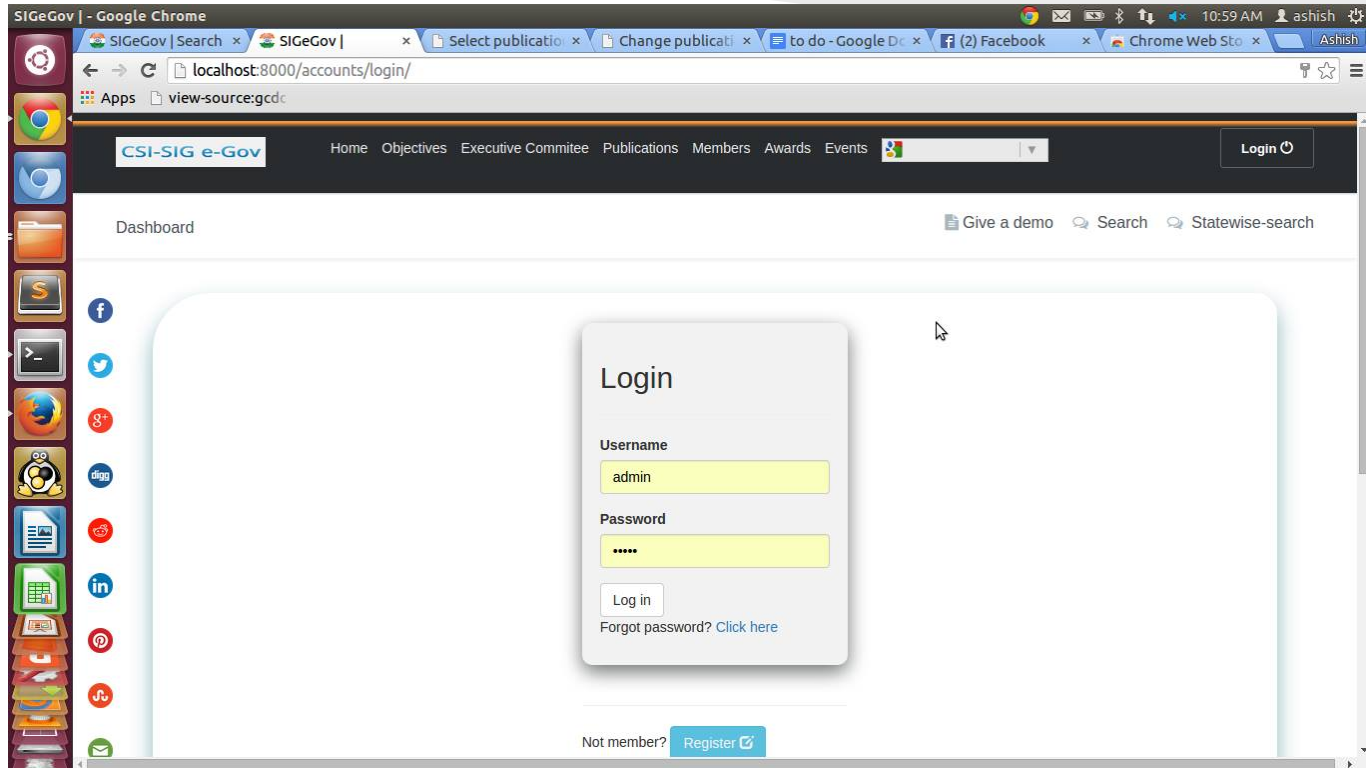

## Additional features in SIGeGov

- Improved 3-step user registration
- Search by **PDF** and **state-wise** and also **multi-field search using Ajax**
- **Comment** on project, **upvote/appreciate** the project
- **Social Media Plugins** added to share the page and increase outreach.
- **Compare** between two projects
- Support to **Google Translate** API
- Make the website more **accessible** with extensive testing in Chrome Vox Reader
- Implement a simple **chat service** for the website
- Show **website tours**, to acquaint the user about the workflow

# The Workflow for Registration

1. New User signup
2. Verification on personal e-mail verification
3. Admin approves user request from his dashboard
4. User get's notified by e-mail
5. Now user can sign-in

# Let Us Show You The Registration Demo

# The Search

- We have used solr of haystack modular to search
- Indexing on multiple fields for quicker search
- Considers and handles Regex
- Master Search for searching through PDF
- Scalable search

# Demos for Search Publications

SIGeGov | Search - Google Chrome

localhost:8000/sigegov/publications/
